

Not-for-Profit Organizations

Securing Your Mission

Bring Your Focus Back to Your Cause

Dorfman Abrams Music delivers comprehensive support to a diverse group of nonprofit organizations. As your accountant, we remain current on changing processes and regulations to ensure your reporting and tax needs are met. As your advisor, we deliver peace of mind so you can focus less on compliance and more on fulfilling your mission.

Innovative Solutions

Our professionals help manage and assess risk, and develop and implement strategies to increase efficiencies. We work with clients to make sure their reporting systems are accurately capturing and reporting the details of their financial transactions, and we educate clients on their financial reports so they have the information needed to manage their organization.

Our Services Include:

- 990 Preparation
- A-133 Audits
- Financial Statement Preparation
- Financial Statement Audits
- Internal Controls & Fraud Assessment
- Training on How to Read Your Financial Reports
- Proxy Tax Matters & Exempt Status Applications
- Operational Consulting
- Cash Flow Planning
- Compliance Audits
- Accounting Software Installation & Training

Why Dorfman Abrams Music?

We create relationships and become your trusted advisor. Our professionals use accounting, tax and financial reporting as tools to support our main service, which is to help clients overcome obstacles and achieve goals. During the way we help manage risk, refine profitability and make it easier for you to stay focused on the critical issues that make your organization thrive.
